ENDORSEMENTS

These stories of Christian heroes and heroines are riveting. Based completely on fact, yet Linda Finlayson has given us a page-turner. While meant to encourage young readers to become risk-takers for the Lord, these accounts never moralize. In the bargain, we learn how God has been at work all over the world, in very different cultures, through unusually gifted missionaries who nevertheless had clay feet. I wish I had been given such a book as a young person. Every family library needs at least one copy.

In this day and age, we are often told that it is difficult to make children take an interest in history. That is not necessarily so; rather, it depends upon choosing the right stories, and telling them the right way. In these books, Linda Finlayson does it again: great tales, well told. Many parents will owe her a debt of gratitude.
