Evangelical Times

There is freshness and vigour in this work which makes for easy reading, yet clearly it is undergirded by sound biblical scholarship. All who teach in church, at whatever level, will this book a useful tool. It is immensely practical and warmly commended.

Banner of Truth

The Book of Ephesians is familiar and favored territory in most believers' Bibles. Yet grasping the full spectrum of this epistle can be daunting. In The Purpose of God R.C. Sproul provides enough altitude to see the majestic theology of Ephesians and enough detail to see the practicality of its terrain. This short volume makes the complexity of Paul's arguments simple and the simplicity of its imperatives profound. I highly recommend it!
