ENDORSEMENTS

"I don't think the subject of 'fear' is one that is explored enough in our Christian walk and I haven't heard many sermons on the subject either. I feel that this book would be an excellent study book because fear is such a strong emotion and affects every person in life at some point or other and I will certainly be using it in our own study group and would recommend it to others."

May Nicholson
Author and founder of Preshal Trust

"This is a very interesting, well-written book that will become a very useful instrument for anyone trying to advise those who are fearful, whether this is on a one-to-one basis or in a group."
