ENDORSEMENTS

Good information with substance. Something each sister can definitely use as a tool of motivation that propels us to action.
Debra

"Denise George writes from many years of experience of ministering to women. This book is faithful in portraying the reality of intense suffering in a fallen world, but equally faithful in presenting the resources for healing available to all in Christ. It will be a great resource for Christian women who are concerned to show Christ-like love to those who are suffering.

Sharon James
Social Policy Analyst, The Christian Institute

"I found *I Am My Sister's Keeper* a genuinely Christian response to particular issues that cause much suffering among many women in today's world. It motivated me to care more deeply for women I meet by sensitively listening to their stories, praying for and with them, showing practical love, and especially by sharing God's love for them in Jesus."
