

Right to Choose?

The effects of post abortion trauma

Maureen Long

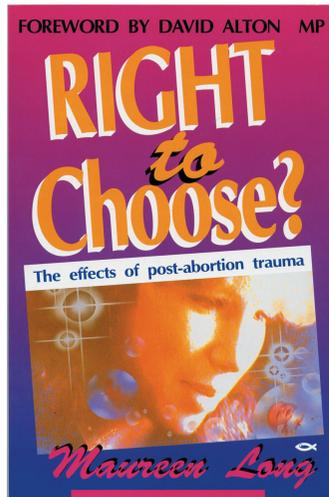

RELEASE DATE 21 MAY 2026

AUTHOR

ENDORSEMENTS

Every man and woman in the Christian ministry should read this, even though he or she may not be directly involved in dealing with such issues. The copy I have to hand was published in 1993, and I don't know if it has been updated since. Nevertheless, the effects of post-abortion trauma remain the same.

Wife of a student at the London Theological Seminary
