AUTHOR

ENDORSEMENTS

"Rollercoaster Time
The second in the Jane series, won the CBC Gold Award for Published Children's Books 1998. Jane's life feels like a rollercoaster, and she wants to know what the future holds. What are God's promises? Instead of being full of anxiety, she has to learn to trust Him. Again, it's a novel dealing with being 'real' about following Jesus. This is a book that subtly warns against the dangers of the occult, trying to find out about the future through astrology etc - written from experience by someone who was 'into' the bad stuff before they found Jesus in reality (I didn't become a Christian till I was in my twenties)!"
