Dr. Richard Mayhue is Research Professor of Theology Emeritus at The Master's Seminary in Sun Valley, California.

ENDORSEMENTS

Verse by verse he expounds the epistles with impeccable precision. Having been thus immersed in these epistles, the reader will be challenged to live out their teachings. That is the ultimate compliment that can be paid to any commentary.

William D. Barrick
Professor of Old Testament; The Master's Seminary, Sun Valley, California

... lucid exposition of the Thessalonian epistles is merely the tip of a very deep iceberg of information. The author transports us into the past, propels us into the future, and challenges us for the present. In addition Mayhue's 33 overviews should place this work on the desk of any student of scripture.

W. Gary Phillips
Senior Pastor, Signal Mountain Bible Church, Signal Mountain, Tennessee

It is loaded with Scripture cross-references. The addition of 33 'overviews' represents a wonderful listing of pertinent key Biblical subjects and their references, along with succint comments.
