

Grace, Grit & Gumption

Spiritual Revival in South Wales

Geraint Fielder

RELEASE DATE 20 MARCH 2004

DESCRIPTION

AUTHOR

Geraint Fielder (1935-2016) was an experienced broadcaster on Radio Wales, Radio 2 and Radio 4. He was also a missionary and former minister at Highfields Church in Cardiff.

ENDORSEMENTS

This thrilling story is well told. The author has captured the different characteristics of the three leaders. They were different, yet one in their boundless energy, capacity for friendship and zeal for the gospel. It is a challenging book. It should rekindle our evangelistic spirit and help us to think of appropriate evangelistic methods.

Rutherford Journal of Church and Ministry

If you are into the history of revivals in this land, or for some reason you think God isn't moving amongst your community, this book is an absolute must. I found it enjoyable & challenging, a double-edged sword for any book.

CLC Book Reviews

Grace Grit and Gumption is an eloquent tribute to three men whose preaching led to the founding of the "Forward Movement", and evangelical movement that profoundly affected Welsh society in the twentieth century. Incidentally, it was that movement's appeal for evangelists that Dr Martyn Lloyd-Jones responded to positively in 1927 and which took him to Aberavon.

Revival Magazine

... if you can put down this book dry-eyed and cold of heart then perhaps you should look to yourself.
