ENDORSEMENTS

"This is a magnificent book. Professor Nicole has been an outstanding figure in US evangelicalism for over 50 years and has been a founder member of the Evangelical Theological Society... Standing Forth is a collection of his most important essays and articles covering many topics (the doctrine of God, the five points of Calvinism, marriage, universalism, the preservation of the saints) but with a particular focus on the doctrines of Scripture and the Atonement. like B.B. Warfield before him, Professor Nicole seems 'constitutionally incapable of writing an unclear sentence'. His grasp of the issues and ability to present them with pristine clarity and simplicity are sure signs of the profundity of his thought."
