It is time to turn back to the Lord. Turn or he will not turn to you. Turn in trust, obedience, glad service with unceasing prayer. In May of 1999, I heard Dr.Kaiser on the radio speaking. I was so impressed with this man having a real heart for the Lord. I told my husband we have to get this book. We were so blessed! Here it is 2010 and rereading it again. The Lord puts these things in your heart early in the morning. Read slowly,prayerfully, repentantly - what a blessing. Return to the Lord your God. Let the Spirit pour down upon a thirsty people and dry ground. Arise and obey and pray that many will find the Lord as their Savior. Every Christian should read this book and be revived. Thank you Mr. Kaiser, God bless you.
