ENDORSEMENTS

"Stephen McQuoid will succeed in making preachers think hard about the passion, preparation, style and development of their preaching gift. I trust it will be a blessing and a challenge to them - it certainly was for me."

Derek Lamont
Pastor, St Columba's Free Church of Scotland, Edinburgh

"Marked by practicality and realism. Both emerging and established preachers cannot fail to profit from it."

Derek Prime
(1931–2020)Author and former pastor of Charlotte Chapel, Edinburgh

"Stephen McQuoid's readily digestible and stimulating new book will help seasoned preachers (and enable them to give themselves a good check-up). Beginners will benefit from the straightforward and sensible counsel he gives. And some, who never preach, may be helped to pray for and encourage those who do. I for one am grateful for the labour of love this little manual represents."

Sinclair B. Ferguson
Chancellor's Professor of Systematic Theology, Reformed Theological Seminary
