ENDORSEMENTS

Brother Dixon has given strong Biblical insights into this very timely and unpopular doctrine of eternal truth and I have thoroughly enjoyed his presentation and strongly agree with his conclusion.

Bill McNairn Skidrow missionary

This is a fantastic book. It gives an excellent view of the subject of hell and eternity. He really made it clear to me the Universalist view of the hell or their lack of it. I would highly recommend all who are interested in finding the truth of the word of God to read this book.

Mike Hutchinson Canada

A thoughtful, provocative, and fair-minded treatment of a controversial theme in Christian doctrine.

Thomas Oden, Drew University Graduate and Theological School

'Larry Dixon has addressed a topic which is of great current importance . . . This is a book which every serious student of the Bible and theology must read'.

Millard J. Erickson
Distinguished Professor of Theology, Western Seminary, Portland, Oregon
