ENDORSEMENTS

Biblical ignorance is a plague not only in the land but in the churches. This material will cure the problem by giving children firm foundations in scriptural knowledge from their earliest years.

Dick Lucas

'The Game is Up is an amazing resource for Sunday School teachersof kids between the ages of three and nine, which is a major groupto cover since there is such an amazing change in maturity during these years. But the people at TnT Ministries have done an excellent job in puttingtogether a book full of ideas and resources for those working with these kids. There are easy to read instructions that are even easier to understand and to follow. This is a great book to pass on to the Sunday School workers in your life. Great job TnT Ministries. This is yet another wonderful release.'
