ENDORSEMENTS

I am delighted with Terry Johnson's *When Grace Comes Alive*, specifically because it could serve as a clarion call to humble and believing prayer in thousands of churches across the world. ....I found his discussion of 'praying without ceasing' to be sensible and hopeful for us ordinary Christian folk. ...If this book blesses others as it has me, great good for the Kingdom of God will come from it!

What is refreshing is that the ministry of Terry Johnson has not only historical integrity but it has a very definite appeal to young people, proving once again that the genuinely classic is of interest to all, both the old and the young.
