DESCRIPTION

Once Amy had begged God to make her yes blue – but he hadn't. And as Amy leaned over to pick little Jeya up and rescue her from a life of temple–slavery – she was very glad that God hadn't listened to her prayers. Blue eyes were not the eyes of India – but Amy's brown eyes were.

ENDORSEMENTS

I read this a few years ago during my church service, when I was too young to understand what my pastor was talking about. It has inspired me in many ways and I hope it can help others

"Amy Carmichael is one of those women who should be every young girl's heroine. Her childhood escapades and journey of faith are wonderful stories in their own right. Her adventures in India are the concluding part to this extraordinary life."
