... theoretical and practical, pastoral and apologetical. I filled my copy with underlines and marginal notes, grateful for the "conversation" and the prompts for further reading and writing.

Mark Coppenger
Professor of Christian Apologetics, Southern Baptist Theological Seminary, Louisville, Kentucky

Why We (Still) Believe is an insightful, informative compendium of extremely well written essays on contemporary hot-button issues. It will prove a helpful resource for thoughtful Christians seeking to respond in a gospel way in an increasingly secular West.

Jim Turrent
Lead Pastor, Central Baptist Church, Dundee

In a confused culture and an uncertain church, we urgently need this brave and confident clarion call. Confronting the increasingly strident challenges to faith, this is a stimulating, robust and timely response.
