### ENDORSEMENTS

Brian Arnold guides us to a compelling voice from the past at a time when we desperately need wisdom for the present. This is a valuable book for those seeking a formative conversation with the Church Fathers. We would do well to listen.

**Megan DeVore**

*Associate Professor of Church History and Early Christian Studies, Colorado Christian University, Colorado*

A fascinating, stimulating and easy to read book on a theologian who loved church. It is a book about a great man that should change and challenge and bring joy every time you meet with and think about your church.

**Steve Levy**

*Pastor, Mount Pleasant Baptist Church, Swansea, Wales*

Arnold purposes neither to re-make Cyprian in his own image nor to discard the Carthaginian bishop on the ash heap of history. Arnold rather insists that Cyprian can serve as a stimulating conversation partner within the contemporary context.

**Paul Hartog**

*Professor of Theology, Faith Baptist Theological Seminary, Ankeny, Iowa*

Immensely rewarding and full of exquisite detail, this book is a winner in every respect. More, please.

**Derek W. H. Thomas**

*Teaching Fellow, Ligonier Ministries; Retired Senior Minister, First Presbyterian Church (ARP), Columbia, South Carolina*
