ENDORSEMENTS

Voices captures the inner dialogue in our heads and hearts that distract and deceive us, seeking to lure us away from Jesus. It winsomely offers life and freedom from Proverbs, helping us to see how God's wise voice is warning and inviting us to come to him, where true joy and everlasting love are experienced.

Robert K. Cheong
Pastor of Care and Counseling, Sojourn Community Church, Louisville, Kentucky and Author of 'God Redeeming His Bride: A Handbook for Church Discipline'

Andy has shone a spotlight on the life–changing truths of the book of Proverbs, made sense of them in the overall bible story, connected them to Jesus at the centre, and then parked them right where you live.

Chris Green
Vicar, St. James Muswell Hill, London and Author of 'Assemble the People Before Me: The Message of the Church'
