ENDORSEMENTS

It is rare to find a book on cultivating a life with God that is so deeply grounded in theology, so honest about the everyday realities of Christian living, and so free of the type of formulaic approach that occupies far too many books on spiritual life.

Timothy D. Hall
Dean, Howard College of Arts and Sciences, Samford University, Birmingham, Alabama

The reader walks away not with a sense of the impossibility of the Christian life, but with a renewed longing for authentic intimacy with God.

Michael J. Svigel
Chair and Professor of Theological Studies, Dallas Theological Seminary, Dallas, Texas

What a blessing to have been a student of John Hannah! Sitting in his classroom was like trekking through mountain ranges, the majesty of the living God on display all around, glorious vistas opening up in the words of his lectures. I'm delighted that this book will make Dr. Hannah's teaching available beyond his classroom, and I'm eager to keep copies on hand to give it away to anyone seeking a more intimate walk with God.

James M. Hamilton Jr.
Professor of Biblical Theology, The Southern Baptist Theological Seminary, Louisville, Kentucky

Any Christian who wants to think deeply about the normal Christian life and what it means to 'struggle successfully' will benefit from the practical insights found in these pages.
