ENDORSEMENTS

If we will be wise, we must walk with the wise (Prov. 13:20). Spiritual giants walked through the land in 17th century England and Scotland. You could spend a lifetime reading the ministers God raised up in those days and receive much hard won biblical wisdom born in a time of great adversity. Perhaps even in our tumultuous times, a renewal of interest in the clear gospel proclamation will help to drown out the distractions we all feel, rediscovering our link with the church through the ages and rejoicing for eternity that Jesus Christ has indeed saved His people from their sins (Matt. 1:21).

This is one of the clearest, heart–searching and heart–warming explanations of true Christianity you will ever find. Deeply in the Bible, it comes from the pen of a man who suffered for his faith. While using fresh language and contemporary idioms, this edition maintains the structure and direction of Alleine's masterful book without losing any of its strident urgency and passionate concern for those who do not know Christ. Whether you are a Christian already or not, this pocket book is a highly recommended read
