Both-And

Understanding Apparent Contradictions in Christianity

Ross Cunningham

RELEASE DATE 08 JANUARY 2021

RELATED TITLES

DESCRIPTION

One of the significant challenges in the Christian faith is the number of apparent contradictions the Bible presents. These paradoxes and mysteries can be difficult to understand. In *Both–And* Ross Cunningham takes 23 pairs of seemingly contradictory truths and concisely and clearly explains how they can co–exist.

Ross Cunningham, who has a background in creative design, has introduced each chapter with an attractive graphic representation of the paradox in question.

The apparent contradictions in the Christian faith

AUTHOR

Ross Cunningham studied Architecture at Nottingham University and has worked in the creative industry for over twenty years. He has worked primarily in London and across the UK, Russia and the Middle East. Ross recently returned to his native Northern Ireland with wife Emma and their three children. The family attend Belfast City Vineyard, where Ross serves as part of the leadership team.

ENDORSEMENTS

Both–And is an insightful, creative, clarifying book that helps us think through the theological tensions that arise when we study the Bible. The illustrations and biblically grounded explanations memorably communicate these tensions so that we understand better both the complexity and simplicity of the big ideas of theology. I'm thankful for this excellent resource and expect that it will be of great help to those wanting to understand the answers to life's biggest questions.

Erik Thoennes
Professor of Theology, Biola University; Pastor, Grace Evangelical Free Church, La Mirada, California

… writes with clarity and conciseness that renders accessible the complexity of doctrine without compromising on difficult truths. I heartily commend it to you.

Cynthia Bennett Brown
Lecturer in Systematic & Historical Theology, Belfast Bible College

By wrestling with the rich and complex doctrines at the heart of the Christian Scriptures, and pressing into some of the apparent contradictions therein, he has discovered truth and beauty and goodness, which he shares in abundance in this book. This is a colourful and creatively presented introduction to profound theological truth that will stimulate both mind and heart.

Reuben Hunter
Pastor, Trinity West Church, London

In this fresh and accessible book, Ross Cunningham addresses these antimonies of Christian faith and experience with clarity and faithfulness to the witness of scripture. What is particularly valuable is his use of visual imagery to highlight each area of tension. This is a primer in Christian theology and a valuable resource for both personal and group reflection.

Trevor W. J. Morrow
Minister Emeritus, Lucan Presbyterian Church, Ireland
