What was the Gutenberg Bible?

Danika Cooley

RELEASE DATE 10 SEPTEMBER 2021

RELATED TITLES

DESCRIPTION

Johann Gutenberg invented a world–changing machine that meant people could read God's Word for themselves. The world could share ideas, discoveries and God's Word could be quickly, inexpensively and accurately reproduced. Home school mom and Bible curriculum developer Danika Cooley captures the excitement of the era, highlighting the profound impact the Gutenberg Bible had on literacy, religion, and society and helping young readers discover how the printing press paved the way for the Reformation.

MARKETING POINTS

'Who, What, Why' series on church history

Includes timeline and related information

By curriculum developer Danika Cooley

AUTHOR

Danika Cooley (ThinkingKidsBlog.org) is an award–winning author and Bible curriculum developer. The homeschool mother of four graduated from the University of Washington. Bible Road Trip™ and 'Help Your Kids Learn and Love the Bible' are used by families around the globe.

ENDORSEMENTS

Danika Cooley gives us an engaging look into the world of the reformation with her *Who, What, Why* series. Her readers will find her books entertaining as well as helpful as she introduces them to all the important people, places and events. Throughout this series, children will be able see the hand of God in history.

Linda Finlayson
Author of 'God's Timeline' and 'God's Bible Timeline'
