ENDORSEMENTS

... a great way for anyone to learn more about what it means to trust, love, follow and serve the Lord.

Sinclair B. Ferguson
Chancellor's Professor of Systematic Theology, Reformed Theological Seminary

... MacKenzie has wisely shown the reader the flaws in these all too human heroes, which is also inspiring. She shows us that God can use his people to do his work and bring glory to his name in spite of their feet of clay.

Linda Finlayson
Author of 'God's Timeline' and 'God's Bible Timeline'

An insightful tour of many key figures in church history, this little book helps others to see just how God worked through those He chose to face critical moments. Catherine expertly weaves together the magnificence and flaws of these individuals, helping young people see that God indeed works through fallen yet hopeful believers, as He can through each of us today.

Luke H. Davis
Bible department chairman, Westminster Christian Academy, St. Louis, Missouri
