Sinclair Ferguson is a wise old builder. He knows we need strong foundations. And he knows the way to build well – verse by verse, truth by truth, question by question. The wonderful thing is that as you make your way through this book, you'll find the whole family – parents and kids alike – building on Jesus – the Rock!

It sounds too good to be true. It really happened. God the Son came to earth to save His people from their sins. Dr. Ferguson takes us on a wonderful trip back to the moment that changed everything for you and me.

This is the closest we come to Sinclair Ferguson's autobiography! The story of a time–travelling professor leading us to the pivotal event of human history! Another treasure to share with grandchildren.

Most stories begin at the beginning. But in this book, Sinclair Ferguson takes children back to before the "In the beginning" of the Bible to put the love of God on display in the covenant between Father, Son, and Holy Spirit to call a people to himself. This book is imaginative, clear, and might just teach adults as much or more than it teaches children!
