ENDORSEMENTS

In this devotional book for children, Sinclair Ferguson helps our children to know what Jesus has done for them. He traces the life of Jesus from womb to tomb, from cradle to throne. By the end, every child will know what it really means to sing, "Jesus loves me this I know, for the Bible tells me so." A great source for children, parents, and pastors!

Associate Professor of Old Testament, Westminster Theological Seminary, Philadelphia, Pennsylvania and author of 'The Moon Is Always Round'

Good news is hard to come by these days. This book by my friend Dr. Ferguson is a welcome help. He helps us discover the best Book that tells us the best news about who God is and what He has done for His people. It's a true story that begins before time began, and it's a glorious story we will be telling one another for eternity. May your love for God grow as you enter into this story. I hope we can talk about it together some day.
