Justification … needs unpacking in such a way that students and other Christians can accessibly understand it. Greg Meyer does that good work in this book, and I commend it to you for your growth in grace and sense of assurance of salvation.

This book will help, comfort, and encourage the teens and youth pastors who read it; best of all, readers will love God more as they understand justification as the expression of God's unfailing love for us.

This may be the most important book you will ever read. Perhaps, like me, you will look back decades from now and recall a book that you read that pointed you to Jesus and the certainty of personal salvation. This book can do just that. That is my prayer for you.
