God, in Scripture, tells us not to worry, and he backs it up with glorious promises, deep and wide. So too this book takes our worries, however trite or terrible they may seem, with seriousness. Following Jesus's lead, Olan is not afraid to say, 'Don't worry,' and then back it up with Scripture's great heights and depths.

Here is rich theology in pastoral wisdom for those who would feast on the goodness of God in the land of the living, to take away worries and to stand solid in a chaotic world.
