DESCRIPTION

Evangelism is crucial, it is exciting, it is wonderful. But it is also hard. Often, sharing our faith with other people is the area of our Christian lives where we feel useless. The Bible contains a wealth of truth that is a powerhouse of encouragement for evangelism, and Thomas Davis reveals it here, including the basic truths that God is God and you are you. God is who he has always been: infinite, unchangeable, all–powerful, at work in his world. And he has not called a select group of elite Christians to tell the world about Jesus; he has chosen his weak, insecure, ineloquent people. He has chosen you.

ENDORSEMENTS

I have been waiting years for this book! Winsome evangelism requires robust content and an enthusiastic messenger, and this book will both inform and motivate. If you have a sense that you just can't witness, then you have just grasped the first principle of this book. God is powerful and He delights to empower the weak.

Rooted in rich theology, clothed in contemporary language and peppered with helpful illustrations, *God is God and You are You* is a transfusion for anaemic faith, a shot in the arm for us all as we seek to take seriously our Saviour's commission to be his witnesses.

Mike Mellor

This is a wonderfully encouraging and compelling book on evangelism. With a pastor's heart and a passion for theology, Thomas reminds us of how incredible God is, how brilliant His plans are, how good the gospel is, and how blessed we are to share it. I highly recommend it.
