**ENDORSEMENTS**

This little book reminds us that salvation is not found in bare belief but enfleshed Deity.Our salvation is a person –the Lord Jesus Christ. Bonar's short chapters stir our affections as we ponder the Lord's personal beauty and sufficiency. In this book you will behold the glorious King in a fresh way.

The brevity of this book is no indicator of the immense help it can provide for any who desire to grow in knowing Jesus. With each page, Bonar carefully and consistently lifts up the person of Christ and exhorts us with reasons to keep our eyes fixed on him. My heart was stirred with fresh affection for my Savior, and I pray yours would be as well.

This richly Reformed, experiential treatise opens up the great blessings of looking in faith to the person of Jesus Christ. Bonar shows us that from the new birth to one's passage through death into glory, Christ is everything to the believer. In fact, He Himself, as revealed in His Word and promises, is the essence of our assurance of faith. This book is a great help to any true Christian who longs to grow in the Christian life in full–orbed assurance.
