The Age of Enlightenment and Awakening
Nick Needham

RELEASE DATE 14 MARCH 2023

DESCRIPTION

Thoroughly researched with beautifully linked arguments, biographies, context and discussions, Needham provides a riveting text: balancing fact and understanding in the wisdom of experience. The book offers a wealth of knowledge for pastors, missionaries, students and professors as they pursue their own education into the response of Christians during the 18th century towards these shifts in the tides of the affairs of men.

ENDORSEMENTS

These volumes should be compulsory reading, first for pastors and elders called to teach and defend the faith, but also for Christians in general who desire to deepen their knowledge of the Saviour's power throughout the church's history.

Ian Hamilton

Associate Minister, Smithton Culloden Free Church of Scotland, Inverness

Covering the period bracketing the Enlightenment Nick Needham's new volume in the 2000 Years of Christ's Power series, covers the social, economic, political and evangelical changes across two continents.

As always, Needham remains attentive to the big picture, yet he also manages to maintain a grasp of the lesser known details throughout. Especially notable is Needham's inclusion of the Eastern and Russian Orthodox Church. Highly recommended.

AUTHOR

Nick Needham is a Church History lecturer at Highland Theological College in Dingwall. Previous to this, he taught Systematic Theology at the Scottish Baptist College in Glasgow. From 2004 to 2021, he was the minister of Inverness Reformed Baptist church. He is author of the highly collectable 2,000 Years of Christ's Power series.

As he assesses the European Enlightenment, evangelical revivals ... and developments within Roman Catholicism and Eastern Orthodoxy from his consistently Reformed perspective, Needham provides illuminating reading for those who share that perspective, but perhaps even more for those who do not.

Mark A. Noll

Author of 'America's Book: The Rise and Decline of a Bible Civilization, 1794–1911'

... helpfully delineates the variegated state of professing Christendom in this crucial era with magisterial vim and verve. Highly recommended!
