### ENDORSEMENTS

Jonathan Thomas has done me (and all of us!) a great favour. I'm too easily distracted by things I should be able to say no to; and not prepared enough for the divine interruptions that King Jesus puts in my path. I need strategies to counter the former; I need encouragement to see and embrace the latter. In this helpful book, Thomas has given me both.

'Intentional Interruptions' is a gentle nudge from a friend to allow yourself to pause in your own plans to wonder at God's world, to step into someone else's world with help and hope, and to re-connect meaningfully with your Lord.

Reading Jonathan Thomas' book reminded me that while everyone wants a piece of me these days, the Lord wants all of me every day.
