DESCRIPTION

Experience Christmas Through the Old Testament's Hidden Promises

Discover the rich tapestry of Christ's coming woven throughout the entire Old Testament in *There Shone a Holy Light*, a compelling Advent devotional by Mitchell L. Chase. This unique exploration takes readers on a 25–day journey through the ancient stories, prophecies, and patterns that pointed to the birth of Jesus centuries before that holy night in Bethlehem.

From Adam to Solomon, each daily reading illuminates how God carefully crafted His redemptive plan through unexpected characters and seemingly ordinary events. Chase masterfully reveals how figures like Noah, Joseph, Moses, and David weren't just historical characters—they were living prophecies of the Messiah to come. Through careful biblical analysis and engaging storytelling, readers will discover fresh insights about how Jesus fulfilled and exceeded every Old Testament foreshadowing.
