DESCRIPTION

The Road Back to God: A Modern Man's Journey from Darkness to Light

In an age of unprecedented religious interest among men, Joe Barnard provides a compelling roadmap for those curious about Christianity but unsure where to begin. This thoughtful guide meets men where they are—often trapped in materialistic thinking and spiritual numbness—and leads them step–by–step toward authentic faith.

- **Addresses unique challenges modern men face**
- **Ten crucial milestones on road to faith**
- **Navigate questions of meaning, purpose, and spiritual truth**

Whether you're a skeptic intrigued by Christianity's resurgence, a seeker looking for answers, or someone simply dissatisfied with modern materialism, this book offers a fresh perspective on ancient wisdom. Barnard doesn't shy away from difficult topics like sin, holiness, and the cross, but presents them in ways that resonate with contemporary minds.

This is more than a book about religion—it's a guide to rediscovering what it means to be fully human in a fragmented world.

ENDORSEMENTS

I think perhaps the greatest commendation I could give this book is that as I was reading I just kept thinking of the amount of men I know who would benefit from it. Take up and read!

In this refreshing, well researched, mind-stretching study, Joe Barnard challenges men to ask the bigger questions of life, have the courage to analyse their own hearts, and embark on a life shaping journey, via Plato's cave, to Jesus Christ. Highly recommended.
