DESCRIPTION

Hope and Freedom for Young Men Battling Pornography

In a culture overwhelmed by sexual temptation, Deepak Reju's guide offers young men a clear, compassionate path to purity and real change. With honesty and biblical wisdom, this book equips readers to:

- **Cut off access points to pornography**
- **Build strong, honest accountability**
- **Pursue genuine repentance and faith**
- **Understand and address deeper heart issues**
- **Seek support from mentors and church community**

Each chapter features practical steps and reflection questions. Whether you're struggling or supporting someone who is, discover how faith and community can lead to lasting freedom and a renewed relationship with God.

Track is a series of books designed to disciple the next generation in the areas of culture, doctrine, and the Christian life. While the topics addressed aren't always simple, they are communicated in a manner that is.

AUTHOR

Deepak Reju is a husband to his best friend Sarah, father to five children, and the senior pastor at Ogletown Baptist Church (Newark, Delaware) and co-host of the Counseling Talk podcast. He enjoys date nights with his wife, coaching his son's soccer games, getting beaten (often) by his kids in a board game, biking, reading, NFL football and (amateur) baking.
