DESCRIPTION

Big Questions. Timeless Answers.

What do Christians really believe—and why does it matter? *Heidelberg Catechism Devotions* takes the timeless questions and answers of the Heidelberg Catechism and connects them with everyday life.

Working through the Catechism, these short devotions explore the Christian faith from the reality of sin, through God's grace in Jesus Christ, to a life of thankful obedience.

Each devotion includes:

- **A question and answer from the Heidelberg Catechism**
- **A clear explanation rooted in Scripture**
- **Challenge questions for personal reflection**
- **A prayer to help put faith into practice**

Accessible, biblical, and Christ-centred, this book is a helpful way for young Christians to understand what they believe, why it matters, and how the gospel shapes everyday life.
