Come Home to the God Who Has Been Waiting for You

Back to the Father by Caleb Davison is a heartfelt invitation for anyone who feels spiritually weary, distant, or disillusioned. Centered on Jesus' timeless story of the lost son, this book reveals the gospel as a deeply relational journey—not a religious checklist. With warmth and biblical depth, Davison shows God as a loving Father who pursues His children, even in their wandering.

This book will help you:

- **Rediscover God's relational, compassionate heart**
- **Understand why grace—not striving—brings renewal**
- **Find hope beyond dead religion or rebellion**
- **Experience the freedom and joy of coming home**

A timely and restorative read for every wandering heart.

ENDORSEMENTS

... not a guilt-driven call to try harder, but a grace-filled invitation to come home and to remember that God is not a distant ruler to impress, but a loving Father who welcomes His children with open arms.

Mark Hallock
Lead Pastor, Calvary Church, Englewood, Colorado

... a warm, engaging, and deeply personal exploration of Jesus' most famous parable. Like nested dolls, this seemingly simple story opens into the sweeping story of Scripture itself, revealing the Father's heart and God's purposes for the world.

Andrew Ollerton
Author of 'The Bible Course' and 'God's Book'

This gripping book is like a mirror. It enables you to hold up your life against the reflection of the Bible's story and the story of the Prodigal Son. I pray many will have the humility and courage to open it up, see themselves in it and at last come home to their Heavenly Father.

Rico Tice
Evangelist; Co–founder of Christianity Explored Ministries

If you wrestle with being accepted after all you have done, this book will give you new hope and a path to follow. Open the door to true relationship in Fatherly Gospel.
