DESCRIPTION

Beyond Arguments: A Better Way to Talk About Jesus

How do you talk about Jesus with someone who doubts him?

In *Sage Hope*, Zack Eswine offers a biblical and deeply relational guide to engaging sceptics, seekers, and loved ones with wisdom, patience, and grace. Moving beyond arguments and quick answers, he draws on the Bible's wisdom tradition to help readers listen well, ask thoughtful questions, understand the stories behind doubt, and faithfully point others to Christ.

In this book, you will learn how to:

- **Engage doubts with wisdom and compassion.**
- **Build meaningful conversations rather than merely win arguments.**
- **Reflect Christ's gentleness and steadfast love.**
- **Share the hope of the gospel with confidence and grace.**

AUTHOR

Zack Eswine is the Lead Pastor of Riverside Church in St Louis, Missouri and co–founder with his wife, Jessica, of Sage Christianity sagechristianity.org.
