DESCRIPTION

Two Approaches, One Bible

How do biblical theology and systematic theology relate to one another? In *A Christian's Pocket Guide to Biblical and Systematic Theology*, Brandon D. Crowe shows that these complementary disciplines belong together and are both essential for understanding Scripture faithfully. With clarity and practical wisdom, he explains how the Bible's unfolding story and its doctrinal teaching work hand in hand, helping readers see the unity of God's revelation and read the whole Bible with greater confidence.

Readers will discover:

- **Why biblical and systematic theology need one another**
- **How both disciplines help us interpret Scripture faithfully**
- **The value of creeds and theological frameworks**
- **Practical tools for reading the Bible as a unified whole**

Ideal for pastors, students, and thoughtful Christians seeking a deeper understanding of God's Word.

AUTHOR

Brandon D. Crowe is professor of New Testament at Westminster Theological Seminary. He is the author or editor of several books, including 'The Hope of Israel: The Resurrection of Christ in the Acts of the Apostles' and 'Every Day Matters: A Biblical Approach to Productivity'.

ENDORSEMENTS

A handy and accessible tool like this pocket guide offers a gift to its readers. Like a hiker's guide through a complicated terrain, Crowe provides substantive invitations to the various theological disciplines. ... a win-win for those who enjoy theological hiking.

Mark S. Gignilliat
Professor of Divinity, Beeson Divinity School, Birmingham, Alabama

As an admirer of Brandon Crowe's books, I enthusiastically commend this one. These pages will give you fresh insight into Scripture and at the same time give new meaning to the expression 'Straight as the Crowe flies'!

Sinclair B. Ferguson
Chancellor's Professor of Systematic Theology, Reformed Theological Seminary

A very helpful book on so many levels, and surprisingly thorough for its small size!

Nicholas G. Piotrowski
President, Indianapolis Theological Seminary, Indiana

In this short book, Brandon Crowe masterfully shows how biblical and systematic theology are indispensable partners for any faithful interpretation of Scripture. He demonstrates that these theological disciplines, working together, help us to read the Bible well, and to hear its central message — that life and salvation are found in Christ alone.

Murray Smith
Lecturer in Biblical Theology and Exegesis, Christ College, Australia
