ENDORSEMENTS

"a powerful reminder of the glory of Christ's matchless love, and provides strong medicine for the soul."

Sharon James
Social Policy Analyst, The Christian Institute

"Malcolm MacLean takes us up into the rarefied heights and gives us new vistas of the beauty and excellence of Christ."

David Meredith
Mission Director, Free Church of Scotland

"a sweet yet sober tour of this garden of divine love. He walks us through the Song devotionally, moving believers to long for deeper communion with the Son of God. Simultaneously, this book will encourage backsliders to run back into His loving arms."

Joel R. Beeke
Chancellor, Puritan Reformed Theological Seminary, Grand Rapids, Michigan

"With Malcolm Maclean we are in safe hands. To be sure, his treatment of the Song extends interpretation into elaboration and application, and he will not carry every reader with him all the time, but everything he writes is true to the full biblical revelation of God in Christ, of the marvel of his love for us, and of our often faltering walk with him."

Alec Motyer
(1924-2016) Well-known Bible expositor and commentary writer
