DESCRIPTION

"...I still believe that traditional Old Testament criticism has had the effect of killing the Old Testament for the church. This little tome can hardly reverse that, but it is meant as an exercise in reading the Old Testament for fun and profit. As my mother–in–law used to say, 'It's different anyway.' And maybe it will help. Most of what I do in the following pages involves discussing examples of Old Testament narratives. I have tried to select examples from a broad range of possibilities. By the way, I assume that you have the biblical text handy in order to carry on your 'Berean' work." *Dale Ralph Davis*

AUTHOR

Dale Ralph Davis is a respected Bible expositor and author of many popular books. He was Minister in Residence of First Presbyterian Church, Columbia in South Carolina. Prior to that he was pastor of Woodland Presbyterian Church, Hattiesburg, Mississippi and Professor of Old Testament at Reformed Theological Seminary, Jackson, Mississippi.

ENDORSEMENTS

Davis maintains that avoidance of difficult texts 'gets us and nowhere and impoverishes the church'. His excellent chapter on appropriation/application includes the damming sentence: ' I hold a reader who does not appropriate and/or a teacher who will not apply Scripture is practising abortion on the Bible'
You may or may not want to imitate Davis Style but if you read this book you will want to lift his structures and insights straight off the page. And that is no bad thing for the church.

Ann Benton
Author and family conference speaker, Guildford, England

There is no more gifted expositor of the Old Testament in our day than Ralph Davis. His book not only brings scholarly research to bear on the subject, but also reflects his many years of preaching week after week through the Old Testament. What a gift to the church to have such a fine book.

Richard Pratt
President, Third Millennium Ministries, Orlando, Florida

I think Davis succeeds admirably in his goal. I found myself stirred up reading the book. He writes well and shows how, even though there are difficult and confusing parts of Scripture, it is not that difficult to find key truths. This is a very encouraging and helpful book.

Ray Van Neste
Director, R. C. Ryan Center for Biblical Studies, Union University, Jackson, Tennessee
