ENDORSEMENTS

I'm here today, absolutely certain that the subject we ought to think about together is the glory of Christ. And John Owen's book on the Glory of Christ is the classic writing on that subject. ...I commend that book to you very warmly and anything that I've learned of the Glory of Christ you will find elaborated considerably there.

Eric Alexander
Conference speaker and formerly minister St George's Tron, Glasgow for 20 years

'Take time to read this book. Savour each page. Appreciate the depths of what Owen says. Allow yourself to be analysed, searched, exposed, deconstructed, edified, enlightened, engraced, and refocused on the glory of Jesus Christ.'

Sinclair B. Ferguson
Chancellor's Professor of Systematic Theology, Reformed Theological Seminary

This beautifully produced reprint, with translations of Owen's Latin by Angus Morrison and a summary introduction by Sinclair Ferguson is an honour to its publishers. With key passages highlighted, unfamiliar terms explained, and plenty of 'light' between headed paragraphs, it is a joy to read. Its contents are beyond recommendation. The divine glory of our Saviour leaves us 'lost in wonder, love and praise.'
