DESCRIPTION

Depression affects many people both personally and through the ones we love. With this compassionate exploration of the struggles faced by Charles Haddon Spurgeon, a renowned 19th–century preacher, who himself endured bouts of severe depression, Zack Eswine provides realistic hope and practical guidance for those grappling with depression. Drawing on Spurgeon's experiences and wisdom, Eswine offers readers comfort from a man who experienced darkness and hope because we can have confidence in the same God.
