ENDORSEMENTS

...Carswell challenges us to discover and develop evangelists in our churches. From Scripture and his own rich experience, he tells us how to do it. This book is must reading for all of God's people.

Warren W. Wiersbe
(1929 – 2019) Author and Conference Speaker

Biblical, interesting, challenging and provocative, this book fills a huge gap, not just in the contemporary Christian literature, but in the outlook of the average church.

Charles Price

...this book is a clear and compelling word to encourage and empower the evangelist of our day.

Joseph M. Stowell
President, Cornerstone University, Grand Rapids, Michigan

I warm to the theme of this book. It keeps the Bible in the centre but is also very practical and eminently readable. We urgently need to recapture a belief in evangelism and share the author's love for it.

Philip H. Hacking
