**ENDORSEMENTS**

I can't imagine anything better [than this book] for teaching what it means to belong to The House that Jesus Built - to new Christians who don't yet understand the church (and older ones who ought to!). Ralph Davis is a good friend, and a great Bible teacher. Once again he has come up with a gem for us with this little manual on the church. Biblical, succinct, clear, fun and, above all, brief.

In an age where everyone is offering to re-design the church, Ralph Davis, in this small booklet, winsomely, clearly and, most of all, Biblically reminds us that we have a designer of the church - Jesus Christ - and the glory and majesty of His design. This is a great instrument to remind, encourage and attract people to the bride of Christ and the body of Christ - His Church.

It is a kind of brochure-cum-browser which enables people to make an informed choice about whether or not yours might be the church in which to settle...this book will dissolve the prejudices which many people bring through our church doors and win them for Christ and his church.
