DESCRIPTION

He could easily share the gospel with 20,000 people on a hillside and then do the same thing the next day with just a few people in a church hall. D. L. Moody was fiery and fun! Watch out for how he used a pony to get children to church. One life devoted to God really can change the world.

ENDORSEMENTS

A wry inspiring book. It shows what determination can do in the face of difficulties.. Not only did Dwight L. Moody preach Christ in the United States, but he was invited to the UK. Many of us would love to have a gift like this, but it also took hard work and dedication to travel and set up schools, as well as organise new premises when audiences grew larger. All in all, this very stirring book will thrill and encourage children \(and .... adults) to do all they can, trusting in the Lord, to serve their God.
