ENDORSEMENTS

Most hill walkers and mountaineers appreciate that there is more to the experience than reaching the summit and enjoying the view. "A Clearing of the Mists" helps us navigate through a number spiritual themes brought to life by the experiences of the author as he climbs the mountains of Scotland.

Mike Pescod
Abacus Mountaineering and Chairman, Fort William Mountain Festival, Fort William

... combines first hand testimony to the power of God in creation and the revelation of God in Scripture. The hand of God revealed in what He has made and the heart of God revealed in what He has said. Martin takes us on his personal journey in a way that invites us to join him in the growing discovery of the goodness of God.

Stephen Gaukroger
Director of Clarion Trust International

In a remarkable blend of Scripture, personal experience and devotional style, Martin Haworth journeys through the awe inspiring wonder and grandeur of the Scottish hills to the glory and honour of the Creator of all things. Every chapter opens up a new perspective on the realities of life as one man comes to know and understand the saving grace of his Creator God.
