ENDORSEMENTS

"Dr. Lawson, AKA Grandpa Mike, makes the nourishment of theology appealing to kids. What a wonderful and needed contribution to our diets! This volume holds the promise of training our children and grandchildren to put their confidence in God and not forget the works of His hands."

Dr. Michael Easley, President, Moody Bible Institute

"Grandpa Mike's gentle, down-to-earth book encourages children to get to know God in a deeper, fuller way. Aimed straight at the child who is beginning to wonder about his or her faith-"Is God big enough?" "If he really knows me, how can he love me?"-Lawson opens up theology in an age-appropriate way. Not cotton candy or simplistic, this book is a great one for parents and children to discuss together, and when they have digested it, they will have a better understanding of God than many seminary students."
