DESCRIPTION

It is ironic that a book called 'the revelation' remains probably the most obscure of all the books of the Bible. Many Christians have never ventured further than the first 3 chapters and others have studied its intricacies and the split churches that resulted wished that they hadn't! For those who already love the book of Revelation this commentary will take you a little deeper and stimulate thinking about how the teaching should be applied to the modern church.

AUTHOR

Dr. Paul Gardner was previously a lecturer in New Testament at Oak Hill Theological College in London and a Rural Dean in the Church of England. In 2005, after serving as Archdeacon of Exeter for three years, Dr. Gardner moved to the United States and now serves as the Senior Minister at Christ Church Presbyterian, Atlanta, Georgia.

ENDORSEMENTS

Here is a detailed explanation, verse by verse, of what the text actually means, exploring its Old Testament roots, unpacking its potent symbolism, but above all applying its message, personally and pastorally.

David Jackman
Past President, The Proclamation Trust, London

'The Book of Revelation is demanding reading for most Christians and the instinct is to reach for help. It is good, then, to know that there are easy-to-read, reliable commentaries available like this latest offering,subtitled The Compassion and Protection of Christ... For those seeking help with Revelation, this book can be strongly recommended.'

Evangelical Times

'It is my sincere hope that every evangelical will read this commentary on Revelation. Paul Gardner has given us an in-depth, but clear, approach. He avoids the host of radical interpretations that are available today. His insights into the meaning of this book will touch every dimension of the Christian life.'

Richard Pratt
President, Third Millennium Ministries, Orlando, Florida

'This is a brilliant commentary that deserves a wide readership. It is lucid, sane, helpful and well applied Revelation is a book of enormous encouragement to Christians and it needs deliverance from the way it has been misused by many. Paul's are a safe pair of hands to guide you through. I warmly and highly recommend this commentary.'

Wallace Benn
Retired Bishop of Lewes, Sussex, England
