New biography of Hudson Taylor

A challenge to spread the Gospel

Story of one of the great missionaries

AUTHOR

Jim Cromarty is a well-known author of both children and adult books about Australia?s great outdoors and Christian history. He is retired and lives in Australia. His story since retirement can be read in Stopped Work? Start Living!

ENDORSEMENTS

It is to be hoped that many may read these pages and catch the vision for the lost that consumed this man. With books like this to touch young hearts, maybe we can yet fulfil the Great Commission in this generation. Read it, if you dare!

CLC Book Reviews

... a fine biography. It is a readable account for those who have little acquaintance with his man... a real page turner.
