"This easy to read book will doeart good! It is full of real life stories of people who go in and out of Preschal, a Christian project in Linthouse, a deprived area of Glasgow..it will remind you of the reason Jesus came and give you cause to rejoice in the fact that our Lord Jesus is alive and at work today."

Evangelicals Now

"May's story is one of courage and determination and belief in God that not only captivated me but inspired me in the knowledge that all..who have experienced similar problems are in good hands".

"*More Miracles from Mayhem* tells the stories of some of those who go in and out of Preshal, whether as Board of staff members, volunteers or local folk looking for support. Preshal serves them all and they serve Preshal. That's one of the beauties of Preshal, everyone is hands-on and that's what gets things done."

Sir Tom Farmer

"I've got dreams for Preshal and I think about them when I pass the local chemist and see a whole queue of folk waiting for their Methadone. There are so many needy people in Govan, my dream is that Preshal will be able to reach out to them and that they'll discover that they are precious too. Maybe one day there will be a queue waiting outside Preshal all wanting to hear about Jesus."

Nancy, member of the Board of Preshal.
